# PÁGINA SIN ESTILOS

# PÁGINA CON ESTILOS

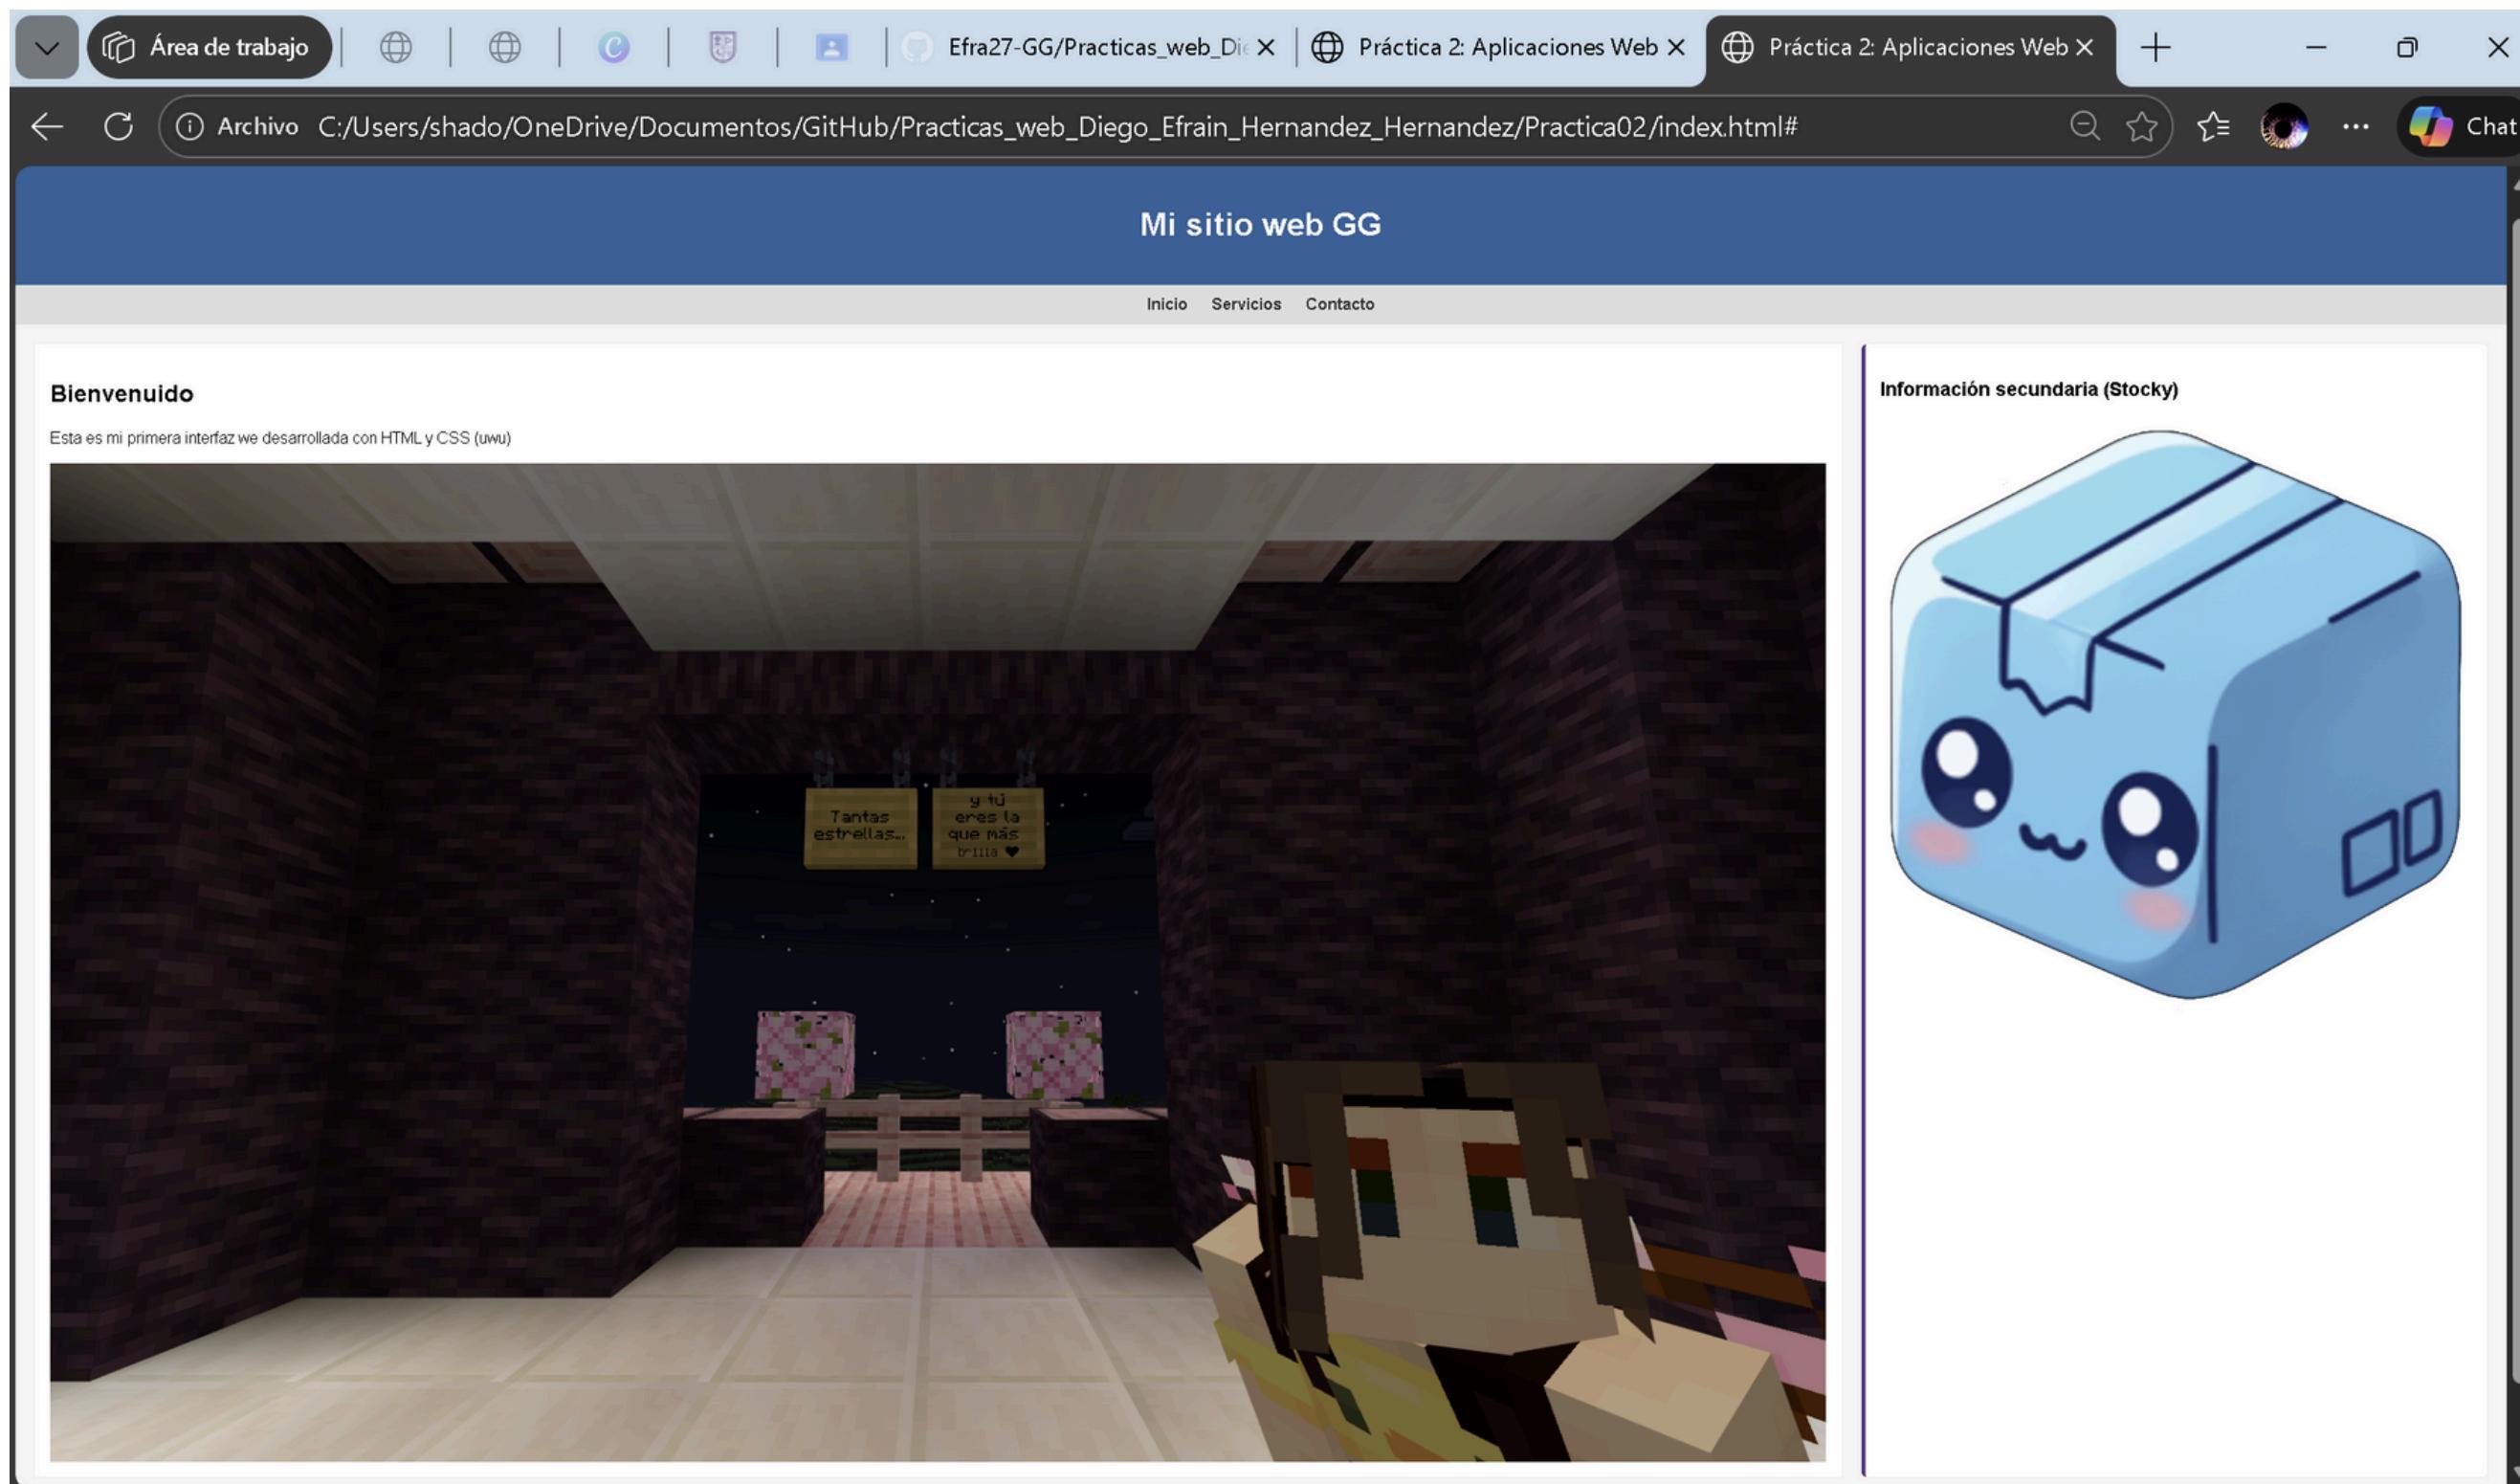

The screenshot shows a dark-themed code editor interface. On the left is the Explorer sidebar with a tree view of files and folders. The main area displays the contents of the styles.css file. The code is organized into several sections with comments like /\* Encabezado \*/ and /\* Navegación \*/.

```
css > # styles.css > header
1 body {
2     margin: 0;
3     font-family: Arial, sans-serif;
4     background-color: #f5f5f5;
5 }
6
7 /* Encabezado */
8 header {
9     background-color: #333c87;
10    color: white;
11    padding: 20px;
12    text-align: center;
13 }
14
15 /* Navegación */
16 nav {
17     background-color: #e0e0e0;
18     padding: 10px;
19     text-align: center;
20 }
21
22 nav a {
23     margin: 0 10px;
24     text-decoration: none;
25     color: #333;
26     font-weight: bold;
27 }
28
29 /* Contenedor principal */
30 main {
31     display: flex;
32     gap: 20px;
33     padding: 20px;
34 }
35
36 /* Sección principal */
37 section {
38     flex: 2;
39     background-color: white;
40     padding: 15px;
41 }
42
43 /* Barra lateral */
44 aside {
45     flex: 2;
46     background-color: #ffffff;
47     padding: 15px;
48     border-radius: 5px;
49 }
```

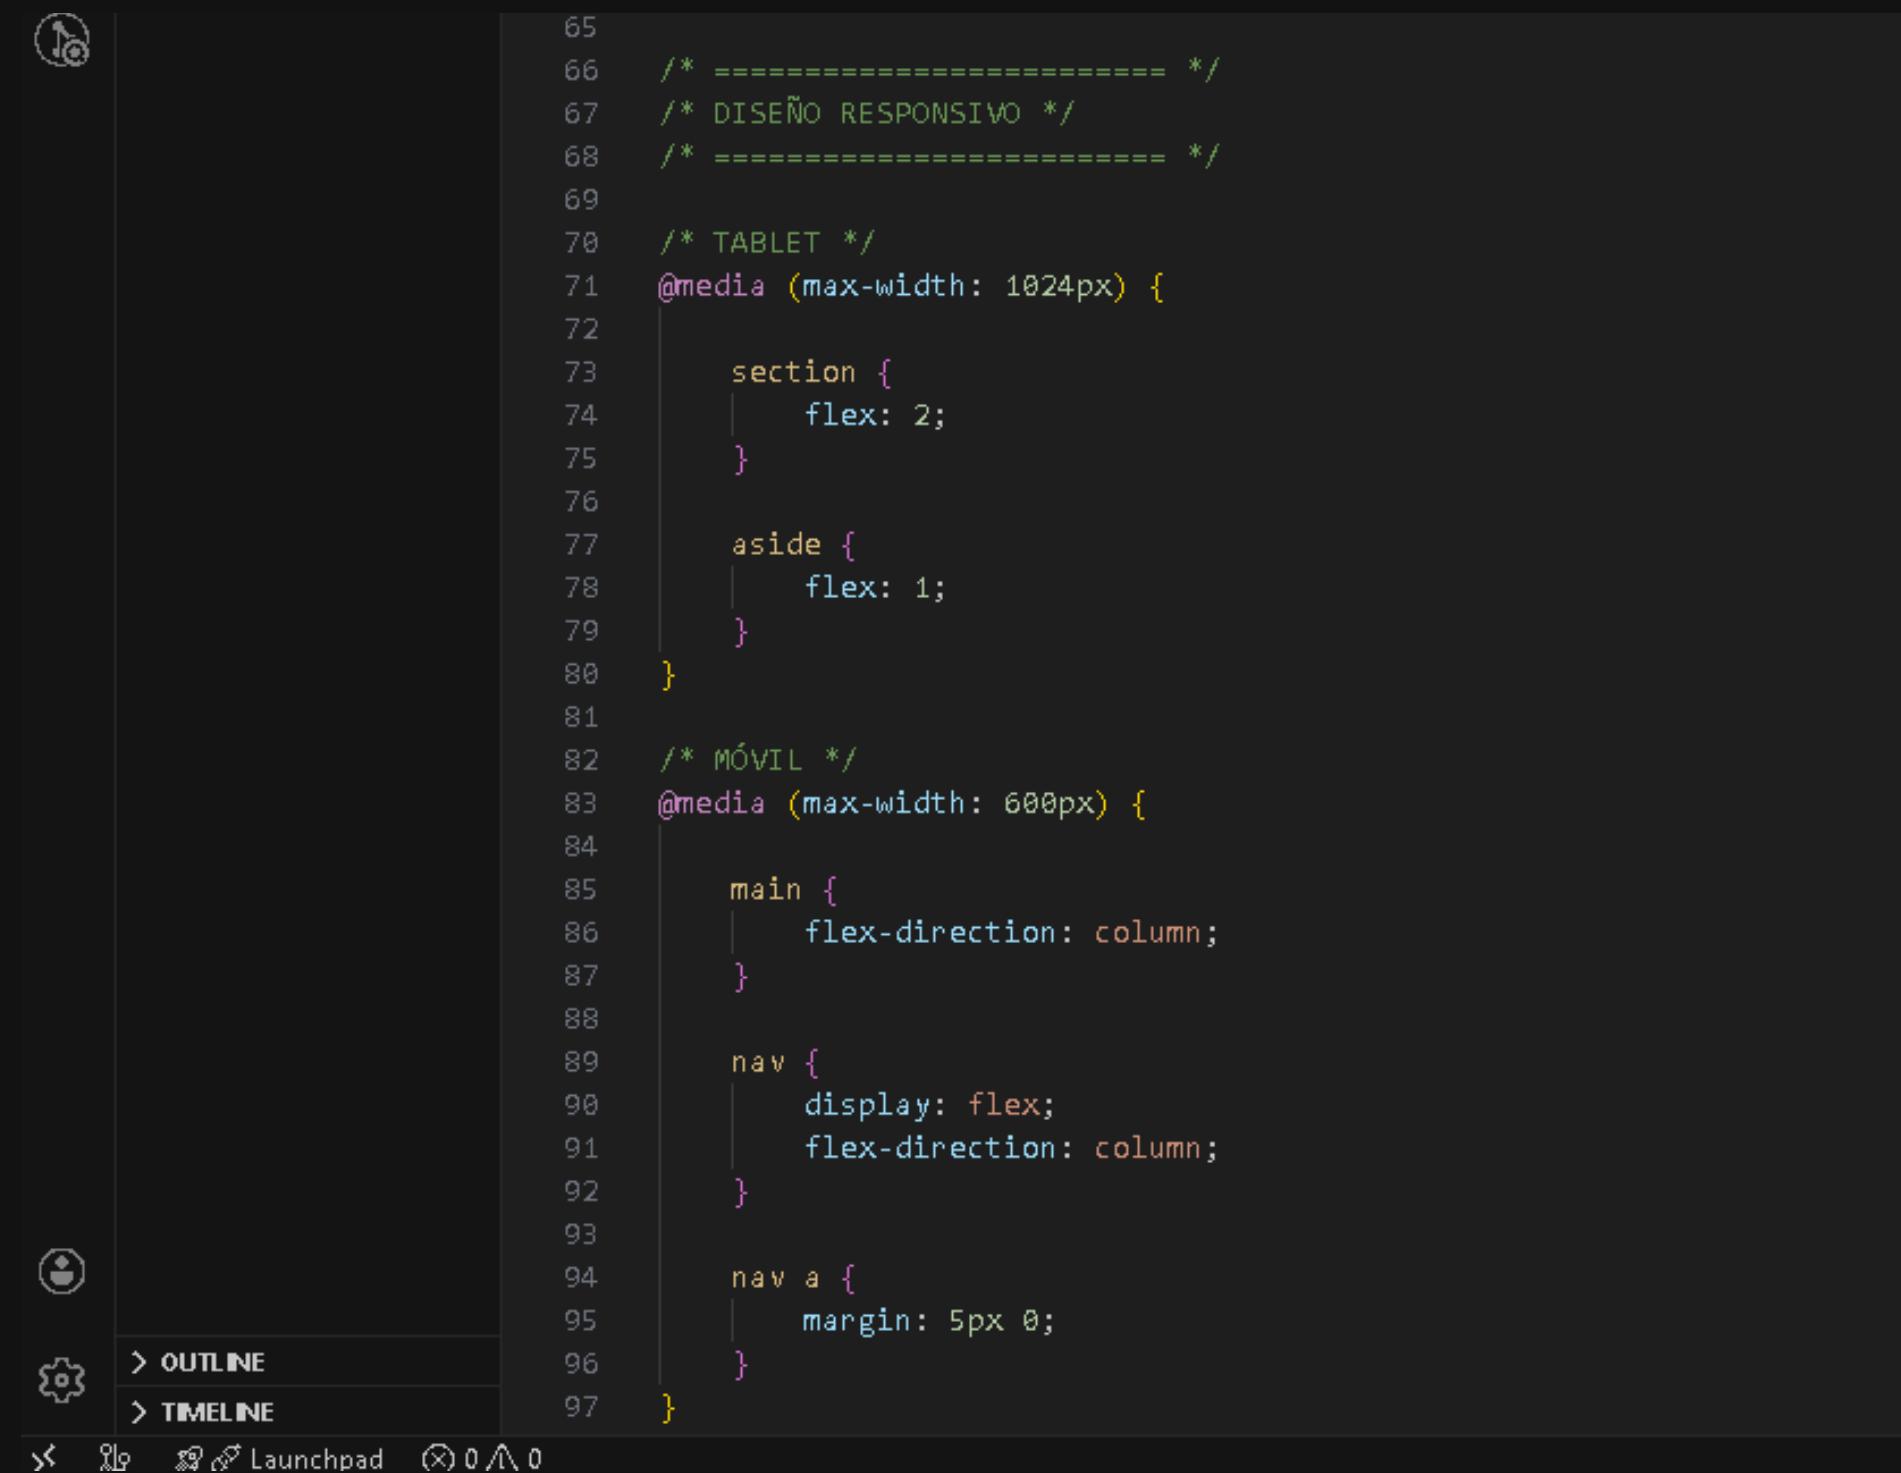

This screenshot continues the styles.css file from the previous one. It includes rules for images and a footer section.

```
css > # styles.css > header
50 }
51 /* Imágenes */
52 img {
53     max-width: 100%;
54     height: auto;
55     display: block;
56     margin-top: 10px;
57 }
58 /* Pie de página */
59 footer {
60     background-color: #333;
61     color: white;
62     text-align: center;
63     padding: 10px;
64 }
```

# PÁGINA CON ESTILOS

# RESPONSIBIDAD

A screenshot of a code editor displaying a snippet of CSS code. The code is designed to be responsive, targeting tablets and mobile devices. It uses media queries to change the layout of sections and aside elements on different screen widths. The code editor interface includes icons for file operations and navigation.

```
65  /* ===== */
66  /* DISEÑO RESPONSIVO */
67  /* ===== */
68
69
70  /* TABLET */
71  @media (max-width: 1024px) {
72
73      section {
74          flex: 2;
75      }
76
77      aside {
78          flex: 1;
79      }
80  }
81
82  /* MÓVIL */
83  @media (max-width: 600px) {
84
85      main {
86          flex-direction: column;
87      }
88
89      nav {
90          display: flex;
91          flex-direction: column;
92      }
93
94      nav a {
95          margin: 5px 0;
96      }
97  }
```

# RESPONSIBIDAD

The screenshot shows a web browser window with a dark theme. The title bar reads "Practica 2: Aplicaciones web". The address bar shows the file path "C:/Users/shado/OneDrive/Documentos/GitHub/Practicas\_web\_Diego\_Efrain\_Hernandez/Hernandez/Practica02/index.html#". The main content area displays a website titled "Mi sitio web GG" with a blue header. The header contains the text "Mi sitio web GG" and a navigation menu with links to "Inicio", "Servicios", and "Contacto". Below the header, a section titled "Bienvenido" contains the text "Esta es mi primera interfaz web desarrollada con HTML y CSS (uwu)". A small image of a Minecraft-style character is shown. At the bottom, there is a section titled "Información secundaria (Stocky)" featuring a blue and white graphic. The browser's developer tools are open on the right side, showing the "Sources" panel with a file tree and a workspace for editing files like "index.html". The "Scope" and "Watch" panels are also visible at the bottom.

# RESPONSIBIDAD

The screenshot shows a web browser window with a dark theme. The title bar includes icons for file operations and tabs labeled "PRÁCTICA 02-HTML Y CSS - Presel" and "Práctica 2: Aplicaciones Web". The address bar shows the URL "C:/Users/shado/OneDrive/Documentos/GitHub/Practicas\_web\_Diego\_Efrain\_Hernandez\_Hernandez/Practica02/index.html#". The main content area features a large blue header with the text "Mi sitio web GG" in white. Below the header is a navigation bar with three links: "Inicio", "Servicios", and "Contacto". The "Inicio" section contains the text "Bienvenido" and "Esta es mi primera interfaz web desarrollada con HTML y CSS (uwu)". The "Servicios" section has a teal vertical border and contains the text "Información secundaria (Stocky)". The browser interface includes standard controls like back, forward, search, and refresh.
